

## Precautionary Drinking Water Advisory

**This Advisory applies to all residents and users of the Riverside Estates Waterworks and is effective immediately.**

**Pursuant to clause 32(1)(a) of *The Environmental Management and Protection Act 2002* this Precautionary Drinking Water Advisory is issued due to inadequate treatment and therefore the safety of *Riverside Estates* water supply cannot be ensured. Therefore, pursuant to Clause 32(1)(b) of *The Environmental Management and Protection Act 2002*, consumers must be notified to:**

- (a) boil all water, used for drinking purposes, for at least one (1) minute, at a rolling boil, prior to use;
- (b) boil water to be used for other activities where it may be ingested, including:
  - (i) brushing teeth or soaking false teeth;
  - (ii) washing fruits and vegetables;
  - (iii) food or drink which will not be subsequently heated;
  - (iv) ice cubes; and
  - (v) all dishes and utensils should be soaked in a bleach water solution (approximately two tablespoons of bleach per gallon or 10 ml of bleach per litre of water) for at least two minutes after being washed to kill any bacteria which may be present.

**Do NOT mix bleach with soaps and detergents.**
- (c) not drink from any public drinking fountains supplied with water from the public water supply;
- (d) water used for other household purposes such as showering, bathing or washing should be from an approved source. Laundry may be washed in tap water, either by hand or by machine;
- (e) ensure that younger children and infants are sponge bathed using an approved source;
- (f) use an alternative water source known to be safe, if they do not wish to boil the water; and
- (g) consult with your physician if you have cuts or rashes that are severe before using the water.
